TOWN WARRANT

STATE OF NEW HAMPSHIRE

**To the Inhabitants of Dalton, qualified to vote in
Town Affairs:**

You are hereby notified to meet at the Town Hall in said Dalton on Tuesday, the fourteenth of March next at ten o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town officers for the ensuing year.
2. To see if the Town will accept the budget for 1944 as prepared by the Selectmen and make appropriations of the amounts therein or make any changes.
3. To see if the Town will vote to raise and appropriate the sum of \$47.00 to the White Mountain Region Association, being one 1|100th of one percent of the town valuation.
4. To transact such other business as may lawfully come before said meeting.

Given under our hands at said Dalton this 16th day of February, 1944.

E. H. CUSHMAN,
GEORGE RAMSDELL,
E. E. WHITCOMB,

Selectmen of Dalton.

REPORT OF BOARD OF EDUCATION

To the Citizens of Dalton:

We herewith submit the annual school report.
The report includes a detailed statement of expendi-

tures and receipts for the school year closing last June, estimates of expenditures and income for the present year and for the next school year, and a written report by the superintendent. We recommend that the school district raise the sum of \$6,700.-00 for the school year beginning next July.

An appropriation of \$6,700.00 should provide for current needs and for payment of note due during the year.

CLARIBEL C. BLAKSLEE,
JOHN M. TILLOTSON,
BERTHA E. BISHOP,
School Board of Dalton.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

**To the Inhabitants of the Town School District in the
Town of Dalton, qualified to vote in district
affairs:**

You are hereby notified to meet in the high school room in said Dalton on the seventeenth day of March, 1944, at seven o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Member of the School Board for the ensuing year.
5. To choose a Treasurer for the ensuing year.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.

7. To see if the District will vote to make any alterations in the report of the School Board recommending the amount of money required for the support of schools and the payment of statutory obligations.

8. To transact any further business that may legally come before said meeting.

Given under our hands at said Dalton this eleventh day of February, 1944.

CLARIBEL C. BLAKSLEE,
JOHN M. TILLOTSON,
BERTHA E. BISHOP,

School Board of Dalton.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books of the School Board of the Town of Dalton, N. H. and other records of which this is a true summary for the fiscal year ending June 30, 1943, and find them correct and properly vouched.

E. E. WHITCOMB,
Auditor.

June 30, 1943.

SUPERINTENDENT'S REPORT

To the School Board of Dalton:

I am pleased to submit the following report relative to your schools.

The financial report for the school year closing last June showed a cash balance of \$476.90 and an amount of \$24.80 due the district, making total assets of \$501.70. Your notes outstanding were \$1000.00. The net debt of the district was \$498.30. This was a great advance over the previous year when the net debt was reported as \$2,285.18.

For the present year the budget revised in October to meet school needs had a total of \$10,866.57. The estimated receipts were as follows: appropriation \$6,200.00, state aid \$3,982.76, dog licenses and amount due district \$100.00, balance \$476.90, making a total of \$10,759.66. Slight changes in the budget have been necessary and the total now indicates a saving of \$100.00 so that the accounts will probably balance on June 30 unless some unexpected expense is incurred.

The recommended budget for the next school year totals \$10,816.00. No settlement of state aid

amount has been received at this writing. If it is as much as \$4,000.00 and the dog licenses may be figured at \$100.00, the district appropriation should be \$6,700.00 to balance the accounts in June 1945. This is more than the appropriation of last year but slightly less than that of two years ago. It would provide for the payment of the notes leaving the school district out of debt.

Some work was done last summer on the heating system at the high school building, all of the buildings were thoroughly cleaned, and some minor repairs were made. Since the report of a year ago one new stove has been purchased for the primary room at the No. 1 building. This stove burns coal or coke. It has improved the heating of that building considerably. The purchase of a similar stove for the other room, the installation of septic toilets for the Union School, and any other extensive improvements in the buildings will probably have to be delayed for the duration of the war. The budget allowance of \$150.00 should be enough for any repairs that will be necessary next year.

Your schools have been very fortunate in having good teachers last year and being able to retain them this year. Thousands of teachers have left the profession for induction into the armed services and for employment in war production areas. The high school has had no teacher of woodworking last year or this year. Miss Taylor and the cadets are teaching more classes than the Teachers College prescribes but the work is being well done. The high school has not materially suffered because of the unusual situation. It is hoped that during the last half of the present year an additional teacher will be available for the high school.

During the past year the teachers, with some assistance from citizens, have conducted the registration for the War Ration Book Two and for War Ration Book Four. The schools have collected scrap metal and waste paper. The teachers have promoted the purchase of war savings stamps and bonds among their pupils. They have made good use of the current events magazines and have tried to relate many phases of the war program to the classroom work. The high school has been visited by army and navy officers in order that the older pupils may receive full information relative to induction. An effort has been made for pupils of all ages to realize that they have duties to perform and responsibilities to assume in the patriotic service of their country.

Mrs. Spaulding has continued her good work of previous years as your school nurse. Her report for last year is as follows:

Number of pupils examined	100
Number with defective vision	26
Number of vision defects corrected	21
Number with defective teeth	77
Number of dental defects corrected	39
Number diseased tonsils	17
Number tonsil operations	3

The report also indicates there were three cases of scarlet fever, twelve of measles, and eight of mumps among pupils during the year.

This year the schools have again had cases of scarlet fever. You have taken all possible precautions for the elimination of this. The serum test to determine the presence of the disease and the immunity of the pupils to it was given recently. Some pupils have had inoculations as preventive against this disease. In spite of the fears of many parents, the State

health officials have advised keeping pupils in school as the best procedure.

Last year you contracted with the Agricultural Marketing Administration for the distribution of penny milk. The program is being continued this year. Under this plan the pupils get a half pint bottle of milk for one penny. The Federal Administration pays the school district two cents a bottle and the school district pays the distributor. The cost to the district will be very small. E. A. Richardson has the contract for this year. Surplus food products distributed to schools by the Marketing Administration last year are not available this year. The Administration does have a lunch program for schools but it does not seem practical for the schools in Dalton.

The school statistics on the following page are the same as those in previous reports. The last row of figures marked "total number of pupils" means the total number of Dalton pupils in schools in Dalton and elsewhere during the year. This number multiplied by two equals the per capita tax for the following year.

Again I wish to thank you for the splendid cooperation and help you have given me during my association with the Dalton schools.

Respectfully submitted,

DANA S. JORDAN,

Superintendent.
